Defense Integrated Military Human Resources System

CURRENT ARMY HR/PAY ISSUES

- The inability to track Active and Reserve component status changes
- Lack of a single, comprehensive personnel record of service
- Inconsistent processes and data
- Lack of adequate security
- Personnel and pay inefficiencies and inaccuracies and redundant data capture as pay is not currently directly tied to personnel transactions

DIMHRS SOLUTIONS

- Providing an integrated Active, Reserve and National Guard personnel and pay system
- Significant decrease in the amount of time needed to complete your HR transaction; Improved customer service; Accuracy in your Record of Service and your pay
- Enabling greater flexibility for the Soldier through self-service capabilities
- A secure means for you to conduct an HR transaction in real time
- Eliminating redundancy; Integrating payroll functionality; Increasing the accuracy and timeliness of pay and benefits

ACCURATE AND TIMELY PAY AND BENEFITS
INTEGRATING PAYROLL FUNCTIONALITY
ELIMINATING REDUNDANCY
