Welcome to the Individual Ready Reserve (also known as the IRR)! The U.S. Army Human Resources Command (HRC) appreciates your continued dedication to our nation.

The majority of Soldiers going into the IRR do so because they have a remaining statutory Military Service Obligation (MSO) under Section 651 of Title 10 USC that they need to fulfill.

As an IRR Soldier, you are in an active status in the Army Ready Reserve and are part of a pool of individual Soldiers who have been trained, through their Service in the active forces or in the Selected Reserve, and are available for mobilization in time of war or national emergency.

This handbook provides an overview of the IRR Program and outlines responsibilities of IRR Soldiers. Additionally, this handbook addresses frequently asked questions concerning the IRR muster and provides information on opportunities, benefits, and resources that may be available to IRR Soldiers.

Common Reasons Soldiers choose to join the IRR:

• Continued service to your country
• Maintain an affiliation with the military
• Ability to earn retirement points
• If funding allows, perform annual training (AT) and short tours
• Flexibility; no mandatory requirement to drill monthly
• Soldier may be able to attend Professional Military Education (PME) Schools
• Authorization to travel on Space Available flights

See page 11 for more details regarding IRR benefits and opportunities, or contact HRC Career Managers at 1-888-ARMY-HRC to assist you in fulfilling your IRR career goals.
An IRR Soldier’s Responsibilities

1. Complete an annual readiness update using a virtual muster (VM), personnel accountability muster (PAM), mail, or other means, as HRC directs. (Army Directive 2017-09)

2. Promptly notify HRC of any changes to:
   • Current mailing address, phone, and email address
   • Changes in marital or dependency status
   • Current Civilian employer information; Soldier will also need to certify their employment information on an annual basis (even if there is no change and even if unemployed)
   • Changes in education, licenses, or skills
   • Changes to your physical or medical condition which could affect your readiness or ability to mobilize
   • Any other changes in status that could affect readiness

*Failure to comply with these requirements or any correspondence from HRC, promptly, could result in adverse administrative action.

3. Soldiers may use one of the following ways to report changes:
   • Contact your Career Management Office at 1-888-ARMY-HRC
   • Virtual Screening Portal (See page 7)
   • Army Reserve Status and Address Verification Form (DA Form 3725)
Muster Requirements Details

You may be directed to complete an in-person or electronic muster.

1. Personnel Accountability Muster – If a Soldier receives a personnel accountability muster order in the mail, it will include instructions to call and schedule an appointment with a Career Counselor typically at an Army Reserve Center. The Soldier will report to the Army Reserve Center and complete muster duty. Muster duty will be a minimum of two hours but will not exceed a full duty day. A Career Counselor will assist Soldiers in getting a DS login account and show them how to access the Virtual Screening Portal. The counselor will conduct an IRR Orientation Brief, and provide information regarding Army opportunities. IRR Soldiers will be paid a stipend for completing this in-person muster.

2. Readiness Muster (RM) – Soldiers who are directed to attend a readiness muster will muster for a minimum of two hours but will not exceed a full duty day. This muster typically occurs at a local Reserve Center or Veteran Affairs (VA) facility. The Soldier will execute selected tasks on the Soldier Readiness Processing (SRP) checklist. Army personnel will review personnel records, record individual readiness status, conduct an IRR Orientation Brief, and provide information on Army opportunities and benefits. IRR Soldiers will be paid a stipend for completing this muster.

3. Virtual Muster (VM) – The Virtual Muster is an electronic means for an IRR Soldier to update pertinent information and certify their medical readiness. The Virtual Muster can be completed in 10-15 minutes on the Soldier’s computer without having to travel to a muster site. When you have received notice by email or regular mail to complete a Virtual Muster, you must log on with a Common Access Card (CAC) or DS Logon account. Go to [https://www.hrc.army.mil](https://www.hrc.army.mil) and use DS Logon account username and password to access the Virtual Screening Portal. You may log onto the portal (at any time) and update your information.
Muster Frequently Asked Questions

FAQs

1. What is a Muster and under what authority authorizes the muster requirement?

Consistent with Department of Defense (DOD) Directive 1200.7 (Screening the Ready Reserve) November 18, 1999 (Certified Current as of November 21, 2003), the Secretaries of the Military Departments established procedures to ensure the continuous screening of the IRR. One screening tool is a muster. A member of the IRR may be ordered to Muster Duty, with or without the Soldier’s consent, in accordance with Title 10, U.S.C. 12319, up to one day per year.

2. What if I received Muster orders but I am no longer in the IRR (i.e. joined a Reserve/National Guard unit, transferred to another military service or no longer in the service)?

Contact the Army Human Resources Command at 1-888-ARMY-HRC and they will transfer you to the appropriate team to resolve the issue.

3. If I am receiving VA benefits am I still required to complete the muster?

Yes. Even though you are receiving benefits, you are still part of the Individual Ready Reserve. If ordered, completion of Muster duty is an IRR requirement.

4. What if my personal information changes during the year?

You can contact the Army Human Resource Command at 1-888-ARMY-HRC. Other POCs that are available to help you are listed at the end of this handbook. You may also log onto the Virtual Muster website (at any time) and update your information. The Virtual Screening Portal will provide instructions for submitting substantiating documents to HRC.
5. What happens if I do not complete my muster duty?

If you have not received an exception from HRC and do not complete the muster, you could be considered an unsatisfactory participant which could result in early discharge. Failing to complete your obligation may affect your benefits at separation. Additionally, failure to complete the muster will NOT prevent you from mobilization if your grade/skills are required in the future.

6. What is the current process for IRR Soldiers to receive a pay stipend for completing the personnel accountability musters?

Upon completion of the muster, the career counselor will submit the Muster Pay Packet to HRC Reserve Pay. The packet will include a copy of the Soldier’s muster order, Career Counselor Guidance Form, SF1199A (Direct Deposit Form), USARC Form 25R (Certificate of Performance), and a voided check or savings slip from the Soldier. The Career Counselor will ensure the IRR Soldier is courtesy copied or receives a hard copy of their Muster Pay Packet sent for processing to HRC Reserve Pay.

7. How much is the pay stipend for completing Personnel Accountability Musters?

The stipend amount is published annually and can change from year to year. The amount of the muster pay stipend is reflected on the muster order. Keep in mind that the stipend is subject to taxes. Please allow for approximately 45 days from muster completion for your pay to process through Defense Finance and Accounting Service (DFAS).
Virtual Screening Portal

If you are not directed to perform in-person muster duty (Personnel Accountability Muster or Readiness Muster) and need to make required updates you may log in the Virtual Screening Portal and complete the virtual muster.

1. Go to https://www.hrcapps.army.mil/Portal/. Log in using your CAC or DS Logon. To register for a DS Logon account, Level 2, follow the instructions on the right hand side of the homepage.

2. Click on the Virtual Screening Portal and follow the instructions to complete the virtual muster.

3. Access to your Reserve Record is available to you 24/7. Keep in mind that you are free to communicate with your Career Manager via email or telephone. Contact information is available on the HRC website at https://www.hrc.army.mil or by calling 1-888-ARMY-HRC.
Opportunities in the Selected Reserve

The Selected Reserve (SELRES) is comprised of Troop Program Units (TPU), Individual Mobilization Augmentation (IMA), and Active Guard Reserve (AGR). The SELRES is like the IRR in that all its members are in an active status in the Ready Reserve. SELRES Soldiers are assigned to and participate as members of units.

1. Troop Program Units
Troop Program Units are traditional Reserve units where drills (Battle Assemblies) are usually scheduled one weekend each month (a Saturday and Sunday), but may include reporting for duty on a Friday. In addition, these units have a two-week Annual Training period every year. TPU Service Members may participate in additional training if authorized. To review drill pay please visit https://www.dfas.mil. Contact the Army Reserve Careers Division (ARCD) Career Counselor or visit the ARCD website https://www.usar.army.mil/ARCG/ for more information concerning TPU vacancies.

2. Individual Mobilization Augmentation
The Individual Mobilization Augmentation (IMA) program allows Soldiers to augment an Active Component (AC) unit or government agency to meet military manpower requirements in the event of military contingency, pre-mobilization, mobilization, sustainment and/or demobilization operations. IMA Soldiers are required to perform a minimum of 12 days annual training (AT) per fiscal year. Periods of inactive duty training (IDT) may be authorized pending any budgetary constraints. Many of these positions allow flexibility in scheduling training for the Soldier. Each IMA position is different, and the training schedule must be coordinated between the Soldier and the assigned unit.

Obtaining 50 points during the Soldier’s Anniversary Retirement Date (ARE) is required to have a “good year” toward retirement. Membership points of 15 points are automatic, one point a day is given for any active duty, and one point is given for each four-hour period of IDT (no more than 2 points in an eight-hour day).

3. Active Guard Reserve
Active Guard Reserve (AGR) Soldiers serve full-time and enjoy the same benefits as Active Component Soldiers. With an AGR job, you receive full pay, medical care for you and your family, and the opportunity for retirement after 20 years of active service. AGR Soldiers are stationed at thousands of Army Reserve Component (RC) units throughout the United States with some opportunities for overseas assignment. AGR Soldiers serve full-time on Active Duty in units and organizations of the Army Reserve, or that directly support the Army Reserve. If you’d like to apply for the AGR program https://www.hrc.army.mil/ and search “AGR”, or for Officer/Warrant Officer applicants call 1-502-613-6365 and for Enlisted applicants call 1-502-613-5927.

4. Active Duty Operational Support
Army Reserve Soldiers may support AC and RC units through the Active Duty Operational Support (ADOS) program. Soldiers on ADOS orders provide temporary manpower for a variety of AC/RC missions. The type, length and grade for each job varies depending on the command. For more information click on the Tour of Duty icon at https://mobcop.army.mil.
Opportunities in the Regular Army

If you’re interested in returning to Active Duty, opportunities are available through recruiters or through the HRC website at https://www.hrc.army.mil/. Currently, there are opportunities for selected RC Officers to return to Active Duty under the Call to Active Duty (CAD).

Inactive Duty Training for IRR Soldiers

IRR Soldiers may take part in Inactive Duty Training (IDT) in a non-pay training status (for retirements point credit only) when authorized by HRC.

An IRR Soldier is considered a non-unit Soldier but remains in an active status. One of the ways that an IRR Soldier can train is by becoming attached to a RC or Active Army unit to conduct IDT.

IDT will be used to maintain or enhance the Soldier’s MOS/AOC skills to ensure that they are a mobilization-ready asset.

Attaching to a unit for points only IDT:

When the Soldier finds a unit for attachment, the unit must submit a DA Form 4651 to HRC requesting attachment orders. If approved by HRC, orders will be published authorizing IDT for retirement points only. Once the Soldier is attached, they become an asset of that unit and will drill with that unit.

The Soldier MUST be attached to a unit to receive retirement point credit for IDT. It is the Soldier’s responsibility to ensure they have a valid attachment order BEFORE beginning to drill with a unit.

The unit commander will provide the Soldier with a unit training schedule that lists the dates and location of the unit training. IRR Soldiers will comply with the unit training guidelines. Soldiers are not authorized to drill from home.

The Soldier is responsible for the cost of travel to and from IDT duty.

Documenting attendance:

Unit commanders will ensure attendance is accurately documented and recorded. IRR Soldiers will sign in at each drill period. AR 140-1 requires the maintenance of rosters for roll call, sign-in, and attendance in accordance with AR 25-400-2.
Credit for IDT:

Once the attached IRR Soldier has completed their IDT, the unit will submit the appropriate documentation to HRC according to AR 140-185 and AR 140-10.

Processing DA Form 1380: Units will submit the IRR Soldier’s attachment order, DA Form 1380, sign-in sheet and training schedule for Soldier’s first drill. For subsequent submissions, under the same attachment order, units will submit the DA Form 1380 and the sign-in sheet. The attached Soldier will NOT complete or submit their own DA Form 1380.

For enlisted Soldiers (other than Health Services): The unit can submit the DA Form 1380 to HRC, ATTN: AHRC-EPR-J, Dept. 370, 1600 Spearhead Division Ave., Fort Knox 40122-5307, or send an email to the Enlisted Personnel Action Branch at usarmy.knox.hrc.mbx.rpmd-ord-enl-ret-pts@mail.mil

For officers/WO’s (other than Health Services): The unit can submit the DA Form 1380 to HRC, ATTN: AHRC-OPL-P, Dept. 290, 1600 Spearhead Division Ave., Fort Knox, KY 40122-5209, or send an email to Officer Personnel Action Branch at usarmy.knox.hrc.mbx.rpmd-ord-ofcr-ret-pts@mail.mil

For Health Service Soldiers: The unit can submit DA Form 1380 email to HS PSB at usarmy.knox.hrc.mbx.opmd-hs-psb@mail.mil

Servicemembers’ Group Life Insurance (SGLI):

SGLI is a program that provides low-cost term life insurance coverage to eligible Servicemembers. Once attached to a unit, the IRR Soldier is automatically enrolled in SGLI. The IRR Soldier may elect to decline SGLI coverage, select a lesser amount than maximum coverage, designate beneficiaries, and/or make other changes. The IRR and other Service members with part-time coverage will continue to use the paper SGLV 8286 form to make coverage and beneficiary changes. Please be aware that once you are automatically enrolled, you will start accruing a debt for SGLI. For more information concerning SGLI, visit https://www.benefits.va.gov/insurance/sgli.asp
IRR Medical Readiness
United States Army Readiness is Priority Number 1!

1. DoD Periodic Health Assessment (PHA) Process
IRR Soldiers are authorized an annual DoD Periodic Health Assessment (at no cost to the Soldier) in accordance with the Reserve Health Readiness Program (RHRP). Soldiers can request medical services through Logistics Health Incorporated (LHI) by registering for an LHI account through the LHI Care website at [https://www.lhi.care/start](https://www.lhi.care/start). Once registration is complete, Soldiers can call LHI to request medical vouchers prior to completing the online DoD PHA assessment through the LHI Care website. LHI will coordinate medical appointments within 50 miles of a Soldier’s physical/mailing address. LHI Call Center can be reached by dialing 1-877-437-6313 or 1-888-901-6896.

For those Soldiers that have never utilized LHI before, LHI recommends that you call the LHI Call Center for assistance in building a service request/manual voucher(s). Inform the LHI customer service representative that you are an Individual Ready Reserve (IRR) Soldier.

If you are still having voucher and registration concerns, email the HRC Command Surgeon Office at usarmy.knox.hrc.mbx.sg-admin@mail.mil. Provide the following information to the HRC Command Surgeon Office: current situation (reason for the email), rank, full name, current mailing/physical address, current telephone number, a valid civilian email address and LHI representative name. LHI will refer DoD PHAs to the HRC Command Surgeon Office for medical fitness validation.

2. Virtual Muster Responses
Soldiers that respond to the HRC Virtual Muster with medical concerns cannot be medically evaluated until a Soldier has a current DoD PHA (valid for 12 months).

3. Medical Profile Requests
Requests for temporary and permanent medical profiles will be processed through the HRC Command Surgeon Office. Permanent profile requests must be submitted within 6 months of a Soldier’s DoD PHA and temporary profiles can be requested at any time, but require a current DoD PHA. Email the HRC Command Surgeon Office at usarmy.knox.hrc.mbx.sg@mail.mil for a profile packet.
4. Transfers Out of the IRR
Soldiers requesting transfer from the IRR to the Selected Reserve (TPU, AGR, or IMA), must have a current DoD PHA. Any medical conditions that could impact a Soldier’s ability to mobilize must be adjudicated (medically cleared) by the HRC Command Surgeon Office prior to transfer. Email inquiries can be sent to usarmy.knox.hrc.mbx.sg@mail.mil, please provide the following information: Rank, full name, current mailing/physical address, current telephone number, and a valid civilian email address.

If the security clearance eligibility is revoked/denied or Soldier is pending Statement of Reasons (SOR), the Soldier will not be permitted to transfer until the clearance action has been favorably adjudicated by the Department of Defense Consolidated Adjudication Facility (DOD CAF) prior to transfer. The Security Office may be contacted by calling 1-502-613-5859 option 3 or emailing usarmy.knox.hrc.mbx.epmd-security@mail.mil.

c. Security Clearance Requirements:

(2) Reinvestigations may be requested by the Soldier 30 days prior to the expiration date. HRC will forward a request to the Personnel Security Investigations Portal (PSIP) Center of Excellence (PSI-CoE) to verify the security clearance requirement for the Soldier.

(3) The Soldier will receive an e-mail with instructions to begin working on the questionnaire which must be completed within five (5) calendar
days. PSI-CoE will terminate the investigation request packet if the Soldier does not complete the process within the five-day window. The Soldier will work directly with the PSIP Center until completing the submission process.

f. Security Clearance Reciprocity/Conversion Process:
(1) If IRR Service Members have a lapsed DOD Security Clearance, but maintain a valid security clearance with a Civilian Government Agency, then the Service Members may request conversion of their civilian security clearance.
