- All demonstration parachutist positions are stabilized for an initial period of 48 months upon selection and assignment to the USAPT. Extensions may be requested in 24-month increments. Initial stabilization period combined with extensions will not exceed a total of 10 years.
- The competitive parachutist positions and tandem parachutist positions in the USAPT will be stabilized for an indefinite period of assignment, utilizing the appropriate AEA code.

**AR 614-200, 6-5. The Technical Escort Training Program**

Chemical Operations Specialist assigned to CONUS based Weapons of Mass Destruction Program and the Technical Escort Program must have 48 months TOS remaining upon assignment and will be stabilized for a period not to exceed 48 months TOS.

**AR 614-200, Chapter 6, Section II, Enlisted Instructor or Adviser Positions**

Only the highest quality Soldiers will be assigned as instructors or advisers. Normally, Soldiers assigned as instructors will hold SQI "8". Soldiers assigned to these positions will be stabilized for a period of 36 months. However, HRC may reassign Soldiers with less than 36 months in accordance with paragraph 3-7k(1) of this regulation. Soldiers may volunteer or be selected for an instructor or adviser position.

**AR 614-200, 8-8. Observer/controller at combat training centers**

Normally, Soldiers are assigned as observer/controller for 2 years; however, they may be removed earlier if they fail to meet qualifications.

**Master resilience trainers**

MRTs plan and provide resilience training to Soldiers, families, and Army civilians at the unit and installation level. They are also the organization's point of contact for information regarding resilience training and the Comprehensive Soldier and Family Fitness (CSF2) Program. Commanders will submit requests to stabilize Soldiers who have completed the MRT Course and will serve as a MRT to HRC, AHRC-EPO-P. Stabilizations for the initial assignment as an MRT will be for a period of 24 months from the date the ASI is awarded utilizing AEA code "G".
