DA Form 1059 AER:

- ACFT status information and status date is entered in Part II, block I. comments.
- Examples for each entry type are provided in the follow-on slides.
- Record ACFT Date entry format is numerical (YYYYMMDD).
- Mandatory ACFT Entry is the RECORD ACFT status and RECORD status date. No diagnostic ACFT information is permitted. Optional ACFT comments are permitted (this includes a total score, individual event score, etc.).
- NO APFT content permitted or authorized. APFT is no longer the Army's test of record.
- For all PME courses starting on 1 October 2022 or later, Soldiers must pass a record ACFT to graduate (this requirement applies to all components). Proponents of troop schools and functional training courses may require an ACFT as either an entrance or graduation requirement, regardless of course length, for any course starting on or after 1 October 2022 (this requirement applies to all components).

 This evaluation will become "REFERRED"
For the following reasons:
*"Did Not Meet Standards" was selected in:
-HT/WT Not Within Standard

The rated student will not be ranked and academic reviewer achievement rating will be limited to one of the following:
"Graduate"/"Non-Graduate"

OK

If the Academic Rater indicates “No” for “Within Standard”, the student will be limited to receiving a rating of either “Achieved Course Standards” or “Failed to Achieve Course Standards”.

EES will display a message to the Academic Rater that the AER “will become REFERRED”.

“Block I” provides the Academic Rater up to 8 lines of narrative text and should address capabilities, limitations, significant achievements, and or deficiencies observed during the course.

Comments should include:

- exceptional potential, aptitude and/or limitations for future selections/assignments.
- lacked ability/motivation.
- demonstrated moral deficiencies.
- failed to respond to recommendations for improvement.
- released from student status (no fault of own, retirement, resignation).
- appearance in front of academic board and any potential to be a service school instructor.

“Block m” provides the Academic Rater the opportunity to list up to three Special Projects/Papers the student completed during the course (if applicable). The Academic Rater may include additional information in Block I as needed.

Step 1
Academic Achievement

Reviewing Official

a. Select one box representing Rated Student's overall academic achievement. Rated Student's class standing is # of (Class Standing use is limited to top 40%)

<input type="radio"/> Commandant's List limited to 20%	<input type="radio"/> Superior Academic Achievement 21% to 40%	<input type="radio"/> Achieved Course Standards	<input type="radio"/> Failed to Achieve Course Standards
--	--	--	---

“Part III, Block a” displays the numerically assigned class standing (once applied within the “Class Standing” tool, if applicable) as well as permits the Reviewing Official to evaluate the student’s overall academic achievement using either the 4- or 2-box check system, as determined within the “Class Creation” tool.

Notes:

- Class Standing and the Overall Academic Achievement box cannot be applied until all students in the graded section receive a “Reason for Submission” selection, SHARP selection, and a box check for each of the part II Attributes (Character/Accountability, etc...) as they pertain to the individual form types.
- If the course concludes as Pass/Fail, the top two box checks will not be used.
- Class Standing (limited to top 40%).
- Managed “Overall Academic Achievement” box check system.
 - Commandant’s List (limited to 20%)
 - Superior Academic Achievement (21% - 40%)
