# Basic Information and Documentation Required for Submission of a Request for Reconsideration of an Approved, Disapproved, or Downgraded Award Recommendation

## 1. Original DA Form 638 (Recommendation for Award) or equivalent with chain of command endorsements and all original supporting documentation

- a. If a Soldier, Veteran, or next of kin does not possess the original document and it is not contained in the Soldier or Veteran's military personnel file, original documentation may be available from: National Archives, ATTN: Textual Reference Branch, 8601 Adelphi Road, College Park, MD 20740-6001. We strongly encourage the requestor to consider hiring an independent researcher to attempt to locate an original recommendation; a listing may be found at: https://www.archives.gov/research/hire-help/locations.html?facility=college-park. If the hired researcher cannot locate original award documents, that individual should furnish a signed letter stating as such.
- b. Documentation pertaining to recent awards may also be available from the unit that initiated the recommendation or from the command that ultimately acted on the recommendation. If a unit is no longer active, a Soldier or Veteran should contact the unit's next higher headquarters. When contacting commands, specifically communicate with the S-1, G-1, or J-1 section of the headquarters.

## 2. New, substantive, and material information pertaining directly to the Soldier's actions, service, or achievements

- a. The new information being provided must reflect a substantive change in the scope and magnitude of a Soldier's actions, service, or achievements. Simply restating or elaborating on known facts, or providing information that is irrelevant to the Soldier does not justify a request for reconsideration.
- b. To determine if the additional information submitted fulfills the regulatory requirements, the Awards and Decorations Branch compares the new documents to the original recommendation and, when possible, official supporting documentation.
- c. Requests for reconsideration of valorous awards must be supported by official documentation, such as After Action Reports, S2 / S3 Journals, official histories of the event, and notarized eyewitness statements, color maps/diagrams, photos, etc.

#### 3. Letter of justification

- a. By regulation, the letter of justification may be a maximum of two single-spaced, typewritten pages.
- b. The letter of justification must specifically describe what new information is being presented that was not previously known or considered at the time of the original recommendation and how this information justifies a request for reconsideration. Allegations of bias, improper processing, etc. do not justify reconsideration.

# Basic Information and Documentation Required for Submission of a Request for Reconsideration of an Approved, Disapproved, or Downgraded Award Recommendation

#### 4. New DA Form 638 (Recommendation for Award) for the proposed award

- a. A DA Form 638 for the proposed award must be constructed as illustrated on the attached sample DA Form 638. It must be signed by a qualified living recommender; please see AR 600-8-22 (Military Awards), Paragraph 3-5 (Who May Recommend) (copy enclosed) for more guidance.
- b. The new, substantive, and material information must be incorporated into the achievements / narrative and proposed citation.
- c. In accordance with Army Regulation 600-8-22, paragraph 1-16, *b*, the former chain of command must endorse the DA Form 638, in Blocks 23 through 25, and 25-A1 through 25-A5 as needed.
- (1) Approval authorities for peacetime awards can be found in Army Regulation (AR) 600-8-22 (Military Awards), Table 3-3.
- (2) Approval authorities for wartime awards can be found in AR 600-8-22, table 3-5.

#### 5. Referral by a Member of Congress

- a. A request for reconsideration or appeal of a disapproved or downgraded award, or a request for an upgrade of a previously approved recommendation must be placed in official channels within one year from the date of the awarding authority's decision. If one year has passed without such action, it must be referred to HRC Awards Branch by an active Member of the U.S. Senate or House in accordance with Title 10, United States Code, Section 1130. One time reconsideration by the award approval authority shall be conclusive.
- b. The referring Member of Congress does not have to be the Veteran's or Soldier's Senator or Representative.

Specific questions concerning the requirements for award reconsideration may be directed to the U.S. Army Human Resources Command, Awards and Decorations Branch at: 502-613-9126, or usarmy.knox.hrc.mbx.tagd-awards@mail.mil. Written inquiries may be submitted to: U.S. Army Human Resources Command, ATTN: AHRC-PDP-A, 1600 Spearhead Division Avenue, Department 480, Fort Knox, Kentucky 40122-5408.

#### 3-5. Who may recommend

- a. The Army does not allow self-recognition (including spouses or other Family members), therefore, a Soldier may not recommend himself or herself for award of a decoration.
- b. The recommending official must have first-hand personal knowledge of the event, or have been senior in grade at the time of the action(s) or service, to the individual being recommended for an award. Additionally, the recommending official must have knowledge of all the action(s) or service cited. That is, the recommending official must have either observed the actions or been provided information by an individual who observed the actions.
- c. Recommending officials who did not personally witness the action must have been associated, by virtue of their position in the command, with the incident and/or the individual being recommended for the award. If the recommending official is not the commanding officer, the commander, if available, must endorse the recommendation. If it is no longer possible to route the recommendation through the commander (for example, the commander is deceased), a signed statement to the effect must be included. In this case, another officer who has knowledge of the action(s), and who was senior in the chain of command of the individual being recommended during the period for which recognition is desired, may endorse the recommendation.
- d. Recommendations for the award of Army decorations to members of another Service branch will be submitted by Army personnel only.

#### 3-6. Peacetime award approval authority

- a. Awards for peacetime service are made by the President, the SECDEF, and the SECARMY. When peacetime criteria apply, authority to award decorations is automatically delegated as shown in table 3–3.
- b. Approval authorities must be in command or serving as head of a principal HQDA agency. The following also applies:
- (1) Authority is extended to include those individuals occupying vacant command positions of approval authorities listed in table 3–3, regardless of grade. For example, a LTC/O–5 assigned on orders as a brigade commander (an authorized COL/O–6 position) is authorized to act on recommendations for award of the ARCOM. This authority may not be delegated to subordinate officials (that is, executive officer, chief of staff, deputy commander, and so forth).
- (2) In instances where the incumbent commander is not available to act on recommendations (for example, hospitalization, extended TDY, or leave) the acting commander, regardless of rank, may take final action provided their assumption of command has been officially documented. In such cases, the acting commander will sign documents using the title "Acting Commander." A copy of the assumption of command orders will be filed with the DA Form 638.
- (3) Rear detachment commanders are not authorized awards approval authority if the command is deployed forward. In this situation award recommendations will be forwarded to the next higher peacetime command awards approval authority.
- c. Commanders can only approve awards for Servicemembers that are assigned or attached to their organizations by appropriate orders or other documentation. When Servicemembers perform duties with a command to which they are not assigned or attached, award recommendations must be submitted to their parent unit/chain of command for approval.
- d. All CGs may delegate peacetime awards approval authority, in writing, to their DCGs commensurate with the DCG's rank. DCGs are further defined as an Army officer in the grade of BG/O-7 (including COL/O-6 promotable (P) in a general officer billet) and above.
- e. The delegation of military awards approval authority to certain senior civilian leaders is governed by DA Memo 600-8-22 from the AASA.
- f. Commanders having authority to approve an award may delegate disapproval authority (to include downgrade) to their immediate subordinate commanders, provided those subordinate commanders have authority to approve the next lower award. This delegation must be in writing and will be accomplished with each change of command. Commanders (ACOMs, ASCCs, DRUs) reporting directly to HRC for awards approval purposes, and officials reporting directly to a principal HQDA agency are delegated disapproval authority for current recommendations for award of the DFC, SM, and AM. Such commanders and HQDA officials may also disapprove service and other achievement award recommendations, provided they have authority to approve the next lower award. This disapproval authority includes awards for non-Army personnel.
  - g. The CSA (delegated to the Vice CSA) has the authority to approve all recommendations of the DSM.
- h. Army general officers with LM approval authority are delegated downgrade authority for DSM recommendations for COL/O-6 and below. Additionally, ACOM commanders have authority to disapprove or downgrade all recommendations of the DSM (to include general officers). This downgrade authority will not be further delegated.
- i. An individual who is eligible for a DOD Joint award will not be recommended for an award through their parent Service unless an appropriate DOD Joint award does not exist. Unless otherwise stated, only Servicemembers assigned to a joint duty activity or joint task force headquarters, or performing duties related to joint matters in accordance with 10
